The Club complaint process will be followed in dealing with this report (see Section 13 of the attached policy), including the possible imposition of sanctions.

[Insert name of Fact Finder] has been appointed to be the Fact Finder for this case. [He/She] will contact you shortly to provide you with the opportunity to (1) respond to this report, (2) make a full statement in a hearing regarding the facts of this situation, and (3) identify any individuals who may have directly witnessed this situation and who should be interviewed by the Fact Finder.

Please be informed that you are not permitted to contact the complainant or suspected complainant or any witness or other Club member concerning this situation. The complainant has been informed of this same obligation. [If the situation is so serious as to require suspension of the individual until the complaint has been resolved, add the following paragraph.]

This report is sufficiently serious for the Club to have decided that it is in the best interest of the Club for your association with the Club to be suspended pending the outcome of the decision of the Ethics Panel concerning this matter. Please understand that this suspension in no way presumes that the complaint is accurate.

Thank you for your attention to this notice and these requests.
